

Title 35, Part II, Subpart 2 Enforcement

Chapter 1 Violations

- 100 Any person, firm, association, corporation, LLC, hotel, restaurant, or club defined in the Local Option law that shall violate any of the provisions of the law, or knowingly permit the violation of the law upon its premises, and as a result of the violation their permit is revoked, shall not be eligible to obtain any permit provided pursuant to Miss. Code Ann. Section 67-1-51 for a period of twelve (12) months after the date the revocation becomes final. Any person considered an “applicant” as defined by Mississippi Code Annotated Section 67-1-59 for any such firm, association, corporation, LLC, hotel, restaurant or club shall likewise be ineligible to obtain a permit either as an individual or as an “applicant” for another entity for twelve (12) months from the date the revocation becomes final should he or she commit or knowingly allow such permit violations. Notwithstanding the foregoing, this twelve (12) month prohibition shall not apply to those persons, firms, associations, corporations, LLC’s, hotel, restaurants or clubs whose permits are revoked due to their failure to maintain the qualification of paying all debts to the State, be it taxes or fees. Such entities are eligible to apply for a permit after paying the underlying outstanding debt.
- 101 Unless otherwise provided by law, the Department may revoke or suspend any permit issued for a violation by the permittee or an agent or employee of the permittee of any provisions of the Local Option law or of any of the provisions of the regulations promulgated under it by the Department. In taking such action the Department may consider prior offenses committed by the permittee and/or its agents or employees within a period of two (2) years from the date of the most recent offense.
- 102 In addition to suspension or revocation of permits, the Department may impose fines not to exceed one thousand dollars (\$1,000.00) upon any person, firm, association, corporation, LLC, hotel, restaurant, or club for violations of any of the provisions of the regulations promulgated by the Department under the Local Option law. Failure of a permittee to pay fines within a time designated by the Department will result in revocation of the permit. Failure of a manufacturer representative to pay fines may result in the suspension of the representative's products from sale in the State.
